

Had rather I were there to go to church with, you my Dear Dear one. that you would not hesitate to give me relief by answering my question; (Oh Dear one you need not wonder if I think of you for I think of you as often as the day's come and go; you may know that is every day; You must excuse me for not writing sooner for I just came home last night from my 4th of July trip; the Baptist camp meeting will start at Magnesia Springs on the 12 of this month. I wish you were here to attend.

Well I will close as I have written all I can think of Just now Hoping
